WELCOME TO THE 2023 CONVENTION. . .

On behalf of the president, vice-president, board of directors and members of the Virginia Numismatic Association (“VNA”), welcome to the 64th Annual Coin, Stamp & Collectibles Show held on September 22nd to 24th, 2023 in the historic City of Fredericksburg, Virginia. This year’s convention and show has over 140 tables and over 75 participating dealers from 13 states, coming from as far away as Georgia, Missouri, Texas and Ohio. All of us have worked hard on this year’s convention for the past 2 years, and it appears that this should be one of our best ever. We have the largest group of dealers from all over the country. There are numerous exhibits located in front of the convention hall that I invite you to view. We are proud to offer educational Numismatic Lectures on Friday and Saturday.

The VNA Convention banquet is held on the evening of Saturday, September 23, 2023, 7:00-9:00 PM, The Buffet facility is within a short walking distance of the Fredericksburg Expo & Convention Center. The meal is paid for at the door, with the lecture being free for all attendees. Please feel free to join us in camaraderie and an excellent numismatic program related to the effects of CAC stickers in today’s marketplace.

“Home Schoolers” day with close to 100 home schooled children is Friday Sept 22nd and Saturday Sept 23rd, is our “Grandparents Day”, honoring our youngest and oldest collectors, allow me to personally welcome you, to this year’s convention.

Unfortunately, the past year was hard on the VNA, so please preview the memorial table up-front, recognizing those VNA members and Dealers who have passed away since our last convention in 2022.

I hope all have a safe and pleasant time at this year’s convention along with a safe trip home. Thank you for joining us.

A note from the Bourse Chairman; ANACS, along with Authorized PCGS and NGC Dealers are offering on-site coin evaluation services, along with submission Forms.

A very special thank you to VNA President Parry Bragg, Vice-President, George Watson, Director of Security Carl Hornburger and Treasurer John Kolos, who worked hard to coordinate and make possible the convention and show.

I would like to give a special thank you to all the volunteers, along with our Host Club, who has graciously offered their time, services and assistance to make possible this year’s convention and show.

We hope that you will enjoy the convention and show, as well as your visit to the historic City of Fredericksburg, Virginia. Thank you for coming to and participating in the convention and show. We hope to see everyone back again in 2023.

For security reasons the front right door is closed for ingress and egress except for an emergency. The Side Door located between the bunting is for entrance and exit, prior to shows opening and after show hours. It is to remain closed during show hours. Dealers needing to leave early please contact me for access to the loading dock.

Presidents Message:

Welcome to the 64th annual Virginia Numismatic Association Coin, Currency, and Collectibles Convention and Show. We have been working hard for the past year to make this year's event really great. With close to or more than 100 dealers and about 150 tables almost any coin, token and or piece of currency should be available. On Friday as usual we will have about 100 home schoolers and their teachers and parents with activities for them, and Saturday is grandparents and parents day for some family togetherness. There will be exhibits and a variety of educational lectures all day Friday and Saturday. We want this show to be one to remember and for this reason one of the past presidents of the American Numismatic Assn. will be in attendance with his wife, a newly elected member of the Board of Governors of the ANA, along with a 64 foot WW2 "short snorter" currency signed by many important political and military individuals. Keith Littlefield will be signing copies of his newly published book on political and military individuals. Keith Littlefield will be signing copies of his newly published book on the postal history of Fredericksburg and will be lecturing on the same. If you have questions just stop one of the VNA members and hopefully you will get a correct answer. The annual banquet will be held Saturday night at the same restaurant as last year with guest speaker, Dennis Fortier, president of the Seated Liberty and Barber coin clubs. Cost \$15.00 with limited seating so confirm early, please.

One last thought, please remember George Cash, one of our past VNA Presidents who passed away in July of this past year. He was always fun to be with and nice companion going to shows and meetings. He will be sorely missed and my thoughts are with his wife and family.

*Parry Bragg,
President, VNA.*
